

The trip starts 07.30 from Smedjebackens harbour and crosses the Barken lakes and through Strömsholms Canal down to Västanfors. Morning coffee with sandwich will be served on board. We will channel through 6 locks in Semla, Fagersta, Uddnäs and Västanfors.

Lunch we will have in Västanfors. We are arriving Ängelsberg in the afternoon. After arrival to Ängelsberg with Å/F Runn, the ferry Petrolia is waiting to take us to Oljeön (Oil Island).

Note : Å/F Runn is not handicapped accessible.

Once back in Ängelsberg, after the guide tour at Oljeön, afternoon coffee will be served. Now it is time to enter the venerable ENJ:s rail road bus from the 50's. That beautiful trip goes up to Kärrgruvan.

The worlds oldest preserved refinery

At Kärrgruvan a Volvo bus, also from the 50's, is ready to bring us back to Smedjebacken. We will drive the scenic road passing Vad - Söderbärke and back to Smedjebacken(approx.19.30).

Trip cost 1190 SEK incl. VAT
The day after the trip will be in reverse order, i.e. we start with bus from Smedjebackens harbour.
